Cable House, established in 1983, is another reputed manufacturer and supplier in Honduras. They offer a wide range of cable trays along with related products like cable ties, crimping tools, and industrial connectors. Cable House is known for customized solutions, high durability, and reliable performance, with strict quality control to ensure long-lasting operation.

Their products are designed to meet industry norms and are appreciated for dependability and sustainable performance. Cable House also serves international clients, demonstrating their capability to meet diverse project requirements.

Comparison and Recommendation

Product Range: Brilltech offers a broader variety of tray types and materials, including specialized perforated and ladder trays. Cable House provides standard trays with additional electrical accessories. Customization: Both companies provide tailored solutions, but Brilltech emphasizes one-to-one consultation for project-specific designs.

Reputation: Both are well-established, but Brilltech highlights international exports and advanced manufacturing facilities, which may appeal to larger or more complex projects. Support: Brilltech offers extensive after-sale support and installation guidance, while Cable House focuses on quality assurance and client satisfaction. Conclusion: For projects requiring highly customized, durable, and internationally compliant cable trays, Brilltech Engineers Pvt.

Ltd. is often considered the leading choice in Honduras. Cable House is also a strong option, particularly for standard trays and integrated electrical solutions.
