ASEAN Low-Voltage Distribution Box Manufacturer

Overview

Asiatic Group Wherever dusty and humid environmental conditions place high demands on the electrical installation, HENSEL products of highest quality confo.

Key Takeaways

Key manufacturers in the ASEAN region include SNTELEC (Vietnam), Asiatic Group (Singapore), IndoAsian, CSQ Electric, and GEYA, offering a range of low-voltage distribution boxes with IP-rated enclosures and international certifications. Notable ManufacturersSNTELEC (Vietnam) SNTELEC supplies complete power distribution packages for industrial and commercial facilities, including metal distribution boxes, IP65 enclosures, and MCB panels. They provide installation support and customized solutions for factory and facility power distribution needs.

Asiatic Group (Singapore) Asiatic Group distributes products from Gustav Hensel GmbH, a leading manufacturer of low-voltage distribution systems. Their products include thermoplastic polystyrene and polycarbonate distribution boxes with IP65–IP67 protection, UV resistance, flame retardancy, and double insulation. These are suitable for harsh environments with dust, humidity, and outdoor exposure.

Indo

Asian Indo

Asian offers low-voltage distribution boards designed for both urban and rural deployment. Their boards feature CRCA enclosures, copper or aluminum busbars, MCCBs for overload protection, and pad-locking options. Some models can be mounted directly on transformer bushings, providing versatility and theft-resistant operation.

CS

Q Electric (China, regional supply) CSQ Electric specializes in low-voltage power distribution, industrial control, and solar photovoltaic systems. Their products include circuit breakers, relays, switch disconnectors, and automatic transfer switches, with ISO9001, ISO14001, and ISO45001 certifications.

CS

Q exports to over 60 countries, including ASEAN markets, and offers customized solutions and patented designs.

GEYA GEY

A manufactures distribution boxes, miniature circuit breakers, DC surge protectors, and smart electricity meters. Their products are IP65-rated, flame-retardant, impact-resistant, and suitable for residential solar systems up to 3kW.

GEY

A emphasizes in-house production, quality testing, and compliance with UL, CSA, TUV, and CE standards, making them a reliable supplier for ASEAN projects. Key Considerations for SelectionIP Rating & Material: Ensure enclosures meet environmental protection requirements (IP65–IP67) and are made from durable materials like thermoplastic or CRCA steel. Certifications: Look for ISO, UL, CE, or TUV certifications for safety and quality assurance.

Customization: Some manufacturers offer tailored solutions for industrial, commercial, or solar applications. Regional Support: Consider suppliers with local offices or distribution networks in ASEAN for faster delivery and technical support. These manufacturers provide a range of low-voltage distribution solutions suitable for industrial, commercial, and renewable energy applications in the ASEAN region, ensuring compliance with international standards and reliable performance.

Asiatic Group

Wherever dusty and humid environmental conditions place high demands on the electrical installation, HENSEL products of highest quality conforming to

NewLight Energy Singapore Pte. Ltd.

Our main products include prefabricated substations, high and low voltage switch cabinets, electrical distribution box, distribution and other electrical equipments, as well as solar

Electech Distribution Systems (M) Sdn Bhd

ELECTECH DISTRIBUTION SYSTEMS SDN BHD is one of the major low–voltage importer, manufacturer and marketer incorporated in Malaysia in since 1983. Our product range are from both

Total Power Box Solutions, Inc.

Our product designs on Switchgear, Panelboard, Busduct, Cable Tray, and ECB are industry standard of highest quality. We invite you to visit our manufacturing plant. Fabricating high-quality electrical

IndoAsian Leading Electrical Solutions for Homes & Infrastructure

Acclaimed brand with decades of successful service, providing quality with cost-effective solutions. Stylish, functional and reliable switches designed for everyday convenience. Quiet and efficient

Switchgear Switch Board Power Distribution Manufacturer

After 13 years, we have built up the capabilities to design, engineering, manufacture, tests and maintenance services. Starting from a factory space of 4000 sqft in 2001, we have since moved to a

Distribution Board Supplier, Electric Distribution Box Manufacturers ...

As a reputable power distribution box manufacturer supplier, CSQ Electric has established a strong reputation in the low-voltage electrical market. CSQ products are exported to over 60 countries and

Switchboard Manufacturer Penang Malaysia, Control Panel

Hongtat Industries produces electrical switchboards, distribution boards, generator panels, motor control centres, weatherproof feeder pillars, metal enclosures and related items. Switchboards are of
