Australian fiber optic cable companies

Overview

Top Fiber Optic Cable Manufacturing Companies in AustraliaDiscover all relevant Fiber Optic Cable Manufacturing Companies in Australia, including Anderson.

Key Takeaways

Australia hosts a range of fiber optic cable companies, including manufacturers, distributors, and network service providers such as AFL, CABAC, Fibre Optic Systems, Vocus, and Anderson Corporation. Key CompaniesAFL – AFL manufactures a wide variety of fiber optic cables, including loose tube, armoured, ADSS, and tactical designs. Their products are engineered for durability and performance in harsh environments, with manufacturing facilities in Tottenham, Victoria.

CABA

C – Established in 1982, CABAC specializes in electrical and fiber connectivity solutions, including cable jointing systems, structured wiring, and fiber optic products. They provide Australian-certified products and support large-scale projects with ISO9001 accreditation. Fibre Optic Systems (FOS) – Based in Knoxfield, Victoria, FOS manufactures and distributes fiber optic and copper products.

They focus on rapid production, high-quality manufacturing, and tailored solutions for commercial and industrial projects. Vocus – Vocus offers high-performance network solutions and wholesale fiber networks across Australia and the Asia Pacific. They provide reliable connectivity for businesses with carrier-grade infrastructure.

Anderson Corporation – Anderson's RapidConnect system provides indoor and outdoor fiber optic cables, pre-terminated cables, and FTTx solutions. They emphasize fast deployment, long-term reliability, and competitive pricing. Other Notable Providers –Fibre Broadband – Offers high-speed fiber connectivity for businesses, with speeds from 100 Mbps to 10 Gbps.

Fiboss – Specializes in cost-effective fiber solutions for residential and commercial applications.

FN

E Communications Pty Limited – Provides nationwide fiber optic and data network installation services. The Fibre Optic Company of Australia (FOCA) – Manufactures and distributes fiber optic cables and accessories for telecommunications. Lightspeed Communications & Electrical – Offers design, installation, and maintenance of fiber optic networks.

Norden Communication and FibreSales.com.au – Supply a wide range of fiber optic products, including test equipment and media converters.

LAP

P Australia – Supplies industrial fiber optic cables and accessories for complex applications. These companies collectively cover manufacturing, distribution, installation, and network services, making them key players in Australia's fiber optic industry. They cater to diverse needs, from residential broadband to large-scale commercial and industrial networks.

Master the TIA-598-C fiber optic color code standard. Read our complete guide and use our free interactive calculator to easily identify 1-144 core cables.

Specialty Optical Fibers | Coherent

Coherent Specialty Optical Fibers provide a range of SM, MM, and PM fiber for laser and amplifier, beam delivery, geophysical sensing, gyro, and medical applications.

Fiber Optic Connectivity Market Share & Forecast, 2026-2033

The fiber optic cables segment is expected to account for 36.0% of the global fiber optic connectivity market share in 2026. The global fiber optic connectivity market is dominated by fiber

Australian Fibre Optic & Copper Solutions | Fibre Optic Systems

FOS is Australia''s trusted manufacturer of optical fibre & copper solutions—delivering innovation, quality, and fast turnaround. Explore our product range!

Digital Display Fiber Optic Sensors Market in Australia | Report ...

The Australian digital display fiber optic sensors market encompasses a range of tangible, packaged electronic devices used to detect physical parameters – position, distance, temperature,

Global Leader in Materials, Networking, and Lasers

Learn how Coherent empowers innovations and breakthrough technologies for the industrial, communications, electronics, and instrumentation markets.

Global IT Products & Network Solutions Provider | Black Box

Black Box provides cutting-edge IT solutions and technology products to businesses worldwide, ensuring innovative and reliable services for global digital transformation.

Top Fiber Optic Cable Manufacturers in Vietnam

How does ensun find these Fiber Optic Cable Manufacturers? ensun uses an advanced search and ranking system capable of sifting through millions of

National Broadband Network

National Broadband Network An NBN FTTN (fibre to the node) cabinet during installation The National Broadband Network (NBN) is Australia''s national wholesale open-access data network. It includes

Top Fiber Optic Cable Manufacturers in Mexico

© 2026 FD SOLUCIONES OPTICAL SYSTEMS - All rights reserved

The company offers training with expert engineers, both virtually and in-person, focusing on fiber optic cable installation and network design. They also manufacture and sell products for fiber optic

Fiber Optic Cable Tenders And GPN Opportunities 2026

Fiber Optic Cable Tenders And GPN Opportunities 2026 We have identified 91 global fiber optic cable tenders from the public procurement domain worldwide. View the latest global tenders for fiber optic
