Bahrain cable tray 200 price quote

Overview

Current GI Cable Tray 200x50mm price in Bahrain: BHD 5.38 per Length. Compare with Qatar, UAE, Saudi Arabia and all GCC countries. Updated 2026.

Key Takeaways

To obtain a price quote for a 200mm cable tray in Bahrain, you will need to contact local suppliers directly, as prices vary by material, type, and load capacity. Suppliers in BahrainALBaith Lighting – Offers perforated cable trays in aluminum or steel, ranging from medium to ultra heavy duty, with a full range of fittings and accessories for complete installations. Bahrain Switchgear & Lighting Industries (BSLI) – Provides a wide range of cable trays and trunking, manufactured with modern machinery for high accuracy and competitive pricing.

They recommend contacting their sales team for a catalogue and quotation. Ameeri Stores – AMETECH Cable Tray – Supplies heavy-duty cable trays, including ladder, trunking, and perforated types, with powder-coated finishes and large-scale panel manufacturing facilities. Bahra Electric – Offers metal and non-metallic cable trays suitable for commercial, industrial, and institutional installations, emphasizing safety, organization, and accessibility.

Types and Materials

Ladder Tray: Supports heavy cables, ideal for high-load installations. Perforated Tray: Enhances airflow, reducing heat accumulation for high-density cable runs. Solid Bottom Tray: Provides maximum support and moisture protection.

Channel Tray: Compact U-shaped design for limited spaces. Materials commonly used for 200mm trays include stainless steel, galvanized steel, and aluminum. Stainless steel is suitable for chemical environments, galvanized steel is cost-effective for industrial use, and aluminum is ideal for lighter loads.

Factors Affecting Price

Material type (aluminum, galvanized steel, stainless steel)Tray type (ladder, perforated, solid, channel)Load capacity and length of the trayAccessories and fittings required for installationSupplier and delivery termsRecommendationFor an accurate price quote, contact the suppliers directly via their sales teams or request a quotation through their websites. Provide details such as tray type, material, length, and load requirements to receive a precise estimate. This ensures the quote reflects your project's specific needs and installation environment.
