Bhutan Tray-type Cable Trays

Overview

We manufacture products like Cable basket tray, Ladder type cable tray, Perforated cable tray, Raceways & truckings and many more .

Key Takeaways

Bhutan offers a wide range of standard cable trays including basket, perforated, and ladder types, manufactured in various sizes, materials, and finishes to meet industrial and commercial requirements.

Types of Cable Trays in Bhutan

Basket Cable Trays – Open wire mesh design suitable for light to medium loads, providing excellent ventilation and easy cable management. Perforated Cable Trays – Solid base with perforations for drainage and heat dissipation, available in welded or bolt-and-nut types. Ladder Cable Trays – Ideal for heavy-duty applications, supporting large bundles of cables with high load capacity.

Raceway and Box Type Trays – Enclosed designs for protection against environmental factors and mechanical damage.
