Brand-

Works Business Co., Ltd primarily distributes consumer packaged goods but also has experience in retail and logistics networks, which may include smaller-scale communication hardware distribution. Market InsightsCambodia's distribution sector allows foreign and local companies to import and distribute brand-name products with minimal restrictions. Importers can obtain exclusive rights or partner with local distributors to supply communication equipment.

The market is growing, with demand for structured cabling, network racks, and distribution boxes increasing in commercial, hospitality, and government sectors.

Summary of Notable Brands for Communication Distribution Boxes

Commscope: AMP, SYSTIMAX, KRONE structured cabling and distribution boxesCisco: Networking and communication enclosuresBrady: Labeling and identification solutions for distribution panelsISA: Industrial communication enclosuresHoneywell: Security and fire-rated communication boxes These brands are typically available through authorized distributors like AWS Cambodia, ensuring local support, warranty, and technical assistance.
