Canadian Mesh Cable Tray Manufacturing

Overview

Unitray Cable Tray Systems, Support, Cable We manufacture CSA approved Class C, D and E cable tray and fittings with standard 3m, 5m and 6m lengths. Other.

Key Takeaways

Superior Tray and Unitray are among the top Canadian manufacturers of high-quality mesh cable trays, offering CSA-certified, customizable solutions for industrial, commercial, and telecom applications.

Superior Tray Systems

Superior Tray is a leading Canadian manufacturer specializing in custom-designed cable tray systems, including wire mesh trays suitable for sensitive and fiber optic cables. Their products are CSA and UL certified, robust, and cost-effective, designed to handle both power and control cables. Superior Tray offers a variety of tray types, including ladder, solid bottom, and perforated trays, with options for large or small cables.

They provide custom engineering, distribution, and installation services, making them a preferred choice for complex projects across Canada.

Unitray

Unitray is another prominent Canadian manufacturer, focusing on aluminum cable trays and offering CSA-approved Class C, D, and E trays. They provide standard lengths of 3m, 5m, and 6m, with custom lengths available. Unitray's FASTRAY® system is a wire mesh solution that is reliable, easy to install, and reduces field labor by simplifying components and design load capacities.

Their production facility in Edmonton allows for rapid manufacturing and same-day shipping for stock items, ensuring fast delivery for both small and large projects.

Key Features of Leading Canadian Manufacturers

Certifications: CSA and UL approvals ensure compliance with safety and performance standards. Customization: Both Superior Tray and Unitray offer tailored solutions for specific project requirements, including sensitive fiber optic installations. Material Options: Steel and aluminum trays are available, with mesh designs for ventilation and cable protection.

Industry Applications: Suitable for industrial, commercial, telecommunications, and data center projects. Service and Support: Local engineering, technical support, and rapid delivery enhance project efficiency. For Canadian projects requiring mesh cable trays, Superior Tray and Unitray stand out as reliable, high-quality manufacturers with extensive product lines and strong industry reputations.
