Cost of steel cable trays in North Macedonia

Overview

Cable Tray In North MacedoniaCable Tray is often a cost-effective solution compared to other materials. It is relatively affordable, especially when consid.

Key Takeaways

Steel cable trays in North Macedonia typically cost between $2 and $25 per meter, depending on material, type, and finish.

Price Range and Factors

The cost of steel cable trays varies based on several factors: Material Type: Pre-galvanized steel is the most affordable, suitable for dry indoor areas, while hot-dip galvanized (HDG) steel is more expensive due to its thicker corrosion-resistant coating, ideal for outdoor or industrial environments. Stainless steel trays are the highest priced, used in highly corrosive or hygienic settings. Tray Type: Ladder trays are more expensive but support heavier cables, whereas perforated or wire mesh trays are cheaper and suitable for lighter loads.

Size and Coating: Wider trays or those with powder coating or HDG finish cost more due to additional material and processing. Supplier and Quantity: Bulk orders or project-based purchases can reduce the per-meter cost, while small orders may be at the higher end of the range.

Local Suppliers in North Macedonia

Several manufacturers and suppliers operate in North Macedonia, offering steel cable trays: Brilltech Engineers Pvt. Ltd provides mild steel, perforated, ladder, and stainless steel cable trays with customized solutions and timely delivery. Jeetmull Jaichandlall is recognized among the top suppliers, offering competitive pricing and export services.

Installation and Additional Costs

While the tray itself may seem inexpensive, installation costs can significantly affect the total budget. Steel trays require proper supports, hangers, and labor for assembly, which should be considered in project planning.

Summary

For budgeting purposes in North Macedonia: Pre-galvanized steel trays: lower end, around $2–$8 per meterHot-dip galvanized steel trays: mid-range, approximately $8–$15 per meterStainless steel trays: high end, $20–$25 per meter or more Prices may vary depending on supplier, order size, and specific project requirements, so contacting local manufacturers for quotes is recommended.
