Croatia 48-core optical fiber junction box

190X95X25mm

Overview

The SJ-ODB-48-SMC is a 48 cores fiber optic termination box designed for efficient fiber optic cable management in FTTH and FTTx network installations. ELEKTRO IMBER offers splitters built with PLC technology (Planar Lightwave Circuits), which are compact, highly reliable, have low insertion losses and good uniformity to optimize transmission, being available in up to 1:128 division. ELEKTRO IMBER offers a complete range of optical enclosures:. DIGITUS® offers a comprehensive selection of FTTH (Fibre to the Home) solutions, such as installation kits, drop and installation cables, and enclosures, which enable easy expansion and completion of a fibre optic network in the home. Therefore, they are protected against splashing water from any direction, including rain and light splashing. With features of light in weight, strong and durable, long life, and stable electrical. 48 Port Fiber Distribution Box provides 16, 24, 32 or 48 SC ports in a traditional two-layer design – a rear splice area for cable slack and splice protection, and a front interconnect area for SC ports. All products' documentation is published in PDF (Portable Document Format), which requires Adobe Reader (ver. 5 and newer) software for viewing.

Article Content

FTTx – Elektro imber Ltd

Patchcords and pigtails for optical interconnection are designed with G.657.A2 fiber, which allows low bending radius for an easy installation, avoiding the problems coming from complex installations.

ASSMANN Croatia B2B Shop | Glasfasertechnik

With FTTB, the fibre optic cable does not first lead to a distribution box, but directly into the respective building. There, the data is then transmitted to the homes via copper cables.

SJ-ODB-M14 Optical Fiber Junction Box 48 Cores

The SJ-ODB-M14 optical fiber junction box 48 cores is made of iron and comply

High quality FTTH junction box, 48 core IP55 fiber optic

Light and compact, it''s ideal for connecting and protecting FTTH fiber cables. The FDB-48 Series 48-port Fiber Distribution Box is suitable for FTTH projects and

48 Cores Fiber Optic Termination Box

The SJ-ODB-48-SMC is a 48 cores fiber optic termination box designed for efficient fiber optic cable management in FTTH and FTTx network installations. This

Fiber optic splice box, 48 cores FTTH box

Fiber optic splicing box for 24 adaptors SC simplex, LC duplex or E2000 with key. Wall mounting enabled. All products'' documentation is published in PDF

48 Core Fiber OTerminal Box for High-Density FTTH Networks

The 48-Core Fiber Terminal Box is a versatile, high-capacity solution for FTTx applications, offering secure splicing, distribution, and durable protection.

Fiber Optic Splice Closure, Electrical Cable Junction

Fiber optical splice closure is widely used in communication, network systems, CATV cable TV, optical cable network systems, and so on. It is used for

High Quality 48 core fiber optic splice closure enclosure

WT-SF05-96A&48B provide with 6 fiber cable in-out round ports and the cable diameter is from 7~20mm. It is widely applied to the splicing and distributing

48 Core Fiber Optic Joint Enclosure

© 2026 FD SOLUCIONES OPTICAL SYSTEMS - All rights reserved

Discover 48 core fiber optic joint enclosures with IP67/68 ratings, ABS+PP material, and FTTX/FTTH applications. Includes fiber optic patch panels.

2 * 32 Fiber Distribution Box 48 Core Fiber Optic Junction Box For ...

High quality 2 * 32 Fiber Distribution Box 48 Core Fiber Optic Junction Box For Outdoor / Indoor from China, China''s leading product market optical distribution box product, with strict quality control fiber

Durable FTTH Terminal Box | Fiber Termination Enclosure for Safe ...

Explore reliable FTTH terminal boxes for secure fiber termination and distribution. Wall-mounted design, robust build, for home and industrial optical networks.

ASSMANN Croatia B2B Shop | Glasfasertechnik

Put your network in the fast lane with DIGITUS® – discover the future of the internet with our high-performance fibre optic networks for private and business customers.

Optical Fiber Distribution Box 32 or 48 Core

Optical Fiber Distribution Box 32 or 48 Core – Copy Total enclosed structure. Material: ABS,wet-proof□water-proof□dust-proof□anti-aging, protection level

FTTH distribution boxes 4, 8, 16, 24, 36 or 48 ports

Premium-Line FTTH distribution box is aim designed for multi-purpose applications in FTTH projects. Read more here!

Fiber optic junction box, Fiber optic terminal box

Find your fiber optic junction box easily amongst the 64 products from the leading brands (HS, LAPP, Cahors, ...) on DirectIndustry, the industry specialist for your

Factory OEM Mini Dome Type Fiber Optic Splice Closure Junction Box 48 Cores

Part number□ UTF-GJS-D002 mini type dome fiber optical joint closure is able to hold up to 48 cores is used in aerial, wall-mounting applications, for the straight-through and branching splice of the fiber

FDB-48 Fiber Distribution Box, 48 ports-AOA Tech

Overview FDB-48 Series 48 ports Fiber Distribution Box, also called Splitter Distribution Box or Fiber Terminal Box, can be used in FTTH projects and is suitable for corridor, basement, room, and
