Direct Sales of Color Steel Cable Trays

Overview

Color Steel Cable Tray | Corrosion-Resistant Cable TrayWe are a direct manufacturer specializing in cable tray production, operating five automated product.

Key Takeaways

MP Husky and SFSP are leading manufacturers offering direct sales of color steel cable trays with multiple material and finish options. Leading ManufacturersMP Husky is a prominent North American manufacturer of cable trays, including steel, stainless steel, and galvanized options. They provide UL, CSA, and NEMA-certified cable tray systems suitable for industrial, commercial, and nuclear applications.

M

P Husky offers direct sales and custom solutions for ladder-type, perforated, and wire mesh cable trays, ensuring compliance with international standards and high-quality finishes.

SFS

P manufactures steel cable trays and accessories in compliance with BS EN 61537: 2023, NEMA, and international cabling standards. Their products include pre-galvanized, hot-dip galvanized, stainless steel, and aluminum trays, with thicknesses ranging from 1. 0 mm to 2.

0 mm.

SFS

P emphasizes fast installation, cost efficiency, and durable finishes suitable for color coating. Material and Finish OptionsPre-Galvanized Steel (GI): Economical, corrosion-resistant base for color coating.

Hot-

Dip Galvanized (HDG): Provides superior corrosion protection, ideal for outdoor or industrial environments.

Powder-

Coated / Color Steel: Offers aesthetic finishes and additional protection against corrosion, available in custom colors. Stainless Steel (304/316): High durability and corrosion resistance, suitable for harsh environments.

Product Types

Ladder Trays: Strong side rails for heavy loads, ideal for large cable bundles. Perforated Trays: Lightweight, allows ventilation and easy cable attachment. Wire Mesh / Basket Trays: Flexible routing, easy installation, and suitable for complex layouts.

Raceways: Enclosed trays for sensitive or high-voltage cables.

Direct Sales Considerations

Manufacturers like MP Husky and SFSP offer direct sales, bulk pricing, and custom dimensions. Certifications (UL, CSA, NEMA, BS EN) ensure compliance with safety and installation standards. Many manufacturers provide engineering support, load calculation software, and installation guidance for large projects.

For purchasing color steel cable trays directly, contacting these manufacturers through their official websites or sales departments ensures access to certified products, custom finishes, and technical support.
