

Explosion-proof distribution box manufacturer in Kazakhstan

Overview

Thanks to stable partnerships and our own warehouse in Kazakhstan, we deliver products to customers as quickly as possible, while providing technical support and full project management.

Key Takeaways

Sigma Solutions LLP, Sigma Industries LLP, and Goreltekh Plant LLP are leading Kazakh manufacturers of explosion-proof distribution boxes, offering IEC-compliant, high-quality products for industrial applications.

Sigma Solutions LLP and Sigma Industries LLP

Sigma Solutions LL

P, based in Atyrau, Kazakhstan, specializes in supplying explosion-proof electrical equipment for the oil & gas, mining, and EPC industries. Their subsidiary, Sigma Industries LLP, designs and manufactures a wide range of explosion-proof equipment, including Ex d and type “e” distribution boxes, control panels, signaling stations, and monitoring systems. Products are designed to ensure complete safety and efficiency in hazardous zones and comply with international standards such as IEC.

Sigma Solutions also provides technical support, project management, and a wide stock of related electrical materials, including cable glands, power cables, and grounding systems.

Goreltekh Plant LLP

Goreltekh Plant LL

P is a 100% Kazakhstan-based high-tech manufacturer with a full-cycle production process for explosion-proof electrical equipment. The company focuses on delivering products with an optimal price-quality ratio for industrial sectors in Kazakhstan and CIS countries. Goreltekh emphasizes scientific and technological development, ensuring that their distribution boxes and other explosion-proof devices meet high professional and safety standards.

Key Considerations

When selecting a manufacturer in Kazakhstan, consider the following: Certification and compliance: Ensure products meet IEC, ATEX, or IECEx standards. Product range: Look for manufacturers offering Ex d, Ex e, and other explosion-proof distribution boxes suitable for your hazardous zone. Technical support and local availability: Companies like Sigma Solutions provide project management, installation guidance, and rapid delivery within Kazakhstan.

Reputation and partnerships: Both Sigma and Goreltekh have established collaborations with major oil and gas operators, reflecting reliability and quality. For industrial projects in Kazakhstan requiring high-quality explosion-proof distribution boxes, Sigma Solutions LLP, Sigma Industries LLP, and Goreltekh Plant LLP are the most prominent and trusted manufacturers, offering certified products, technical expertise, and local support.
