How much does a ladder-type cable tray cost in Azerbaijan

Overview

Cable Tray Price List | Electrical Works The cable tray price list are for hot dip galvanized ladder type cable tray. The price is based on standard length.

Key Takeaways

Ladder cable trays in Azerbaijan typically range from $20 to $60 per meter, depending on material, size, and customization options.

Overview

Ladder cable trays are widely used in industrial, commercial, and data center applications to support and organize electrical, control, and communication cables. In Azerbaijan, several suppliers such as Brilltech Engineers and other local manufacturers offer ladder cable trays made from steel, hot-dip galvanized steel, PVC, or stainless steel, with corrosion-resistant coatings and customizable lengths and widths.

Factors Affecting Price

Material: Hot-dip galvanized steel is common and moderately priced. Stainless steel (SS304, SS316) or aluminium trays are more expensive due to durability and corrosion resistance. Size and Length: Standard lengths are usually 2.

4 meters to 3 meters per section. Wider trays or those designed for heavy-duty cable loads cost more. Customization: Pre-punched holes, rounded edges, and special coatings can increase the price.

Custom sizes or configurations for specific routing requirements may also affect cost. Accessories and Fittings: Elbows, tees, reducers, and supports are priced per piece and add to the total project cost.

How to Obtain Accurate Pricing

Since prices vary by supplier, material, and order quantity, it is recommended to contact local manufacturers directly for a quote. Suppliers like Brilltech Engineers provide tailored pricing based on project requirements and can offer bulk discounts or export options.

Typical Price Range

Standard hot-dip galvanized ladder tray: $20–$35 per meterStainless steel or heavy-duty trays: $40–$60 per meterFittings and accessories: $5–$15 per piece This range provides a general guideline, but exact prices should be confirmed with suppliers for your specific project needs.
