How much does a steel ladder-type cable tray cost in Morocco

Overview

Cable Tray Price List | Electrical Works The cable tray price list are for hot dip galvanized ladder type cable tray. The price is based on standard length.

Key Takeaways

Steel ladder-type cable trays in Morocco are available from multiple suppliers, with prices typically based on standard lengths (2. 4 meters) and material type, such as hot-dip galvanized or stainless steel. Pricing InformationHot-dip galvanized ladder cable trays: Prices are generally calculated per standard length of 2.

4 meters, with fittings priced per piece or unit. Exact prices vary depending on supplier, tray width, and load capacity, but this is the common pricing structure used in Morocco. Stainless steel ladder cable trays: These are designed for heavy-duty applications and harsh environments.

Pricing depends on tray dimensions, reinforcement, and corrosion-resistant coatings. Stainless steel trays are typically more expensive than galvanized trays due to material and durability advantages.

Supplier Options in Morocco

Kerix Directory: Lists multiple suppliers and exporters of cable trays, including ladder-type trays, allowing you to request quotes and compare offers. Local Manufacturers and Distributors: Companies like Brilltech Engineers and other Moroccan suppliers provide customizable ladder cable trays with features such as corrosion-resistant coatings, pre-punched holes for easy installation, and rounded edges for safety.

Cable Tray UA

E Morocco Suppliers: Offer a range of cable tray products including ladders, trunkings, and GRP/FRP gratings suitable for industrial and commercial applications.

Key Features to Consider

Material: Hot-dip galvanized steel for standard applications; stainless steel for high-load or corrosive environments. Length and Width: Standard trays are 2. 4 meters long; widths vary depending on cable volume.

Load Capacity: Choose trays rated for the weight and type of cables in your project. Fittings and Accessories: Elbows, tees, reducers, and supports are priced separately and are essential for installation flexibility.

How to Obtain Accurate Pricing

Contact suppliers directly via directories like Kerix or manufacturer websites. Specify tray dimensions, material, and quantity to receive a tailored quote. Request bulk or project-based pricing if purchasing large quantities, as discounts may apply.

By reaching out to multiple suppliers, you can compare prices and select the most suitable ladder-type steel cable trays for your project in Morocco.
