How much does a wire mesh cable tray cost in Armenia

Overview

Kable Kontrol Cable Tray Kable Kontrol's wire mesh cable tray for cable management is one of the most in demand products due to its unique feature of being.

Key Takeaways

Armenian wire mesh cable trays typically cost between $2 and $25 per meter, depending on material, size, and order quantity.

Price Range and Factors

Wire mesh cable trays in Armenia are generally affordable and cost-effective, especially compared to other cable tray types like ladder or solid-bottom trays. The price per meter can range from $2 to $25, influenced by: Material: Steel is the most common and economical, aluminum is lightweight but more expensive, and stainless steel is the highest-priced option for corrosion resistance. Tray Type: Wire mesh (basket) trays are lighter and cheaper than ladder trays, ideal for lightweight wiring in offices or data centers.

Surface Finish: Hot-dip galvanized trays cost more due to corrosion protection, while pre-galvanized or powder-coated trays are cheaper but less durable. Size and Load Capacity: Wider or thicker trays require more material, increasing cost. Order Quantity: Bulk purchases can reduce the price by 20–50% depending on supplier and project size.

Installation Components: Brackets, supports, and corner fittings can add 20–30% to the total project cost.

Local Suppliers in Armenia

Several Armenian suppliers and manufacturers provide wire mesh cable trays, including Jeetmull Jaichandlall, which is recognized among the top 10 suppliers in the country. These suppliers offer: Custom sizes and adaptationsDurable, recyclable materials like steel or aluminumQuick installation and minimal maintenanceCost-Saving TipsBulk Orders: Ordering larger quantities reduces per-meter cost. Material Choice: Use steel for standard applications; reserve aluminum or stainless steel for specialized environments.

Simplified Installation: Wire mesh trays are easier to cut and bend, reducing labor costs compared to conduit or ladder trays. In summary, for a typical Armenian wire mesh cable tray, expect $2–$25 per meter, with the final cost depending on material, size, surface treatment, and installation accessories. Contacting local suppliers directly can provide precise quotes tailored to your project requirements.
