Irish network cable tray supplier

Overview

Thanks to innovation and improved technology, we have evolved into a one-stop shop for Cable Tray manufacturers.

Key Takeaways

Key cable tray manufacturers in Ireland include Niedax CMS Ireland, Jeetmull Jaichandlall, Core Distribution, Peter Curran Electric, and PEMCO Ireland.

Leading Manufacturers and Suppliers

Niedax CM

S Ireland is part of the global Niedax Group, offering a wide range of cable management systems including trays, ducts, and fastening materials. They provide expert advice, project planning, and installation support across all four Irish provinces, serving industries such as oil and gas, energy, and data centers. Jeetmull Jaichandlall (P) Ltd. specializes in high-quality cable trays and wire mesh solutions.

They manufacture a variety of sizes, shapes, and colors, tailored to industry-specific requirements. Their on-site facility uses modern equipment and technology to ensure top-quality products, making them one of the top 10 cable tray manufacturers in Ireland. Core Distribution supplies steel trunking, trays, baskets, and ladder systems suitable for multiple applications.

They focus on strong, stylish, and easy-to-install solutions, partnering with international manufacturers to provide a comprehensive range of cable management systems. Peter Curran Electric offers a diverse selection of cable trays and trunking solutions for homes, offices, and businesses. Their products are designed for durability and easy integration into new or existing installations, with expert customer support to help select the right system.

PEMC

O Ireland is Ireland's only manufacturer of PVC boxes, trunking, and conduit. With over 50 years of experience, they provide in-house manufacturing, expert consultation, and nationwide delivery.

PEMC

O focuses on durable, compliant, and efficient cable containment solutions for the electrical wholesale industry. Considerations for Choosing a ManufacturerProduct Range: Ensure the manufacturer offers the specific type of cable tray (ladder, perforated, wire mesh, or PVC) suitable for your project. Customization: Some manufacturers provide tailored solutions for size, material, and load capacity.

Service and Support: Look for companies offering design consultation, project planning, and installation guidance. Compliance: Verify that products meet relevant standards for safety and electrical installations. These manufacturers collectively cover a wide range of applications, from commercial and industrial projects to residential installations, ensuring reliable cable management solutions throughout Ireland.
