Carisol Group Carisol supplies a broad range of electrical and lighting products across Jamaica. While primarily a distributor, they offer top brands and islandwide delivery, which can be convenient for sourcing distribution boxes.

Considerations for Choosing the Best Supplier

Product Quality: Look for suppliers offering certified and durable distribution boxes suitable for your application. Technical Support: Companies like LS Duhaney and Enerbiz provide engineering advice and installation guidance. Availability and Delivery: Carisol and Electrical Depot offer islandwide delivery, which is useful for remote locations.

Reputation and Experience: LS Duhaney's long-standing presence since 1965 indicates reliability and customer trust.

Recommendation

For industrial or commercial projects, LS Duhaney and Electrical Depot are highly recommended due to their extensive product range and technical support. For residential or smart home applications, Enerbiz Limited provides specialized guidance and high-quality products. Carisol is a convenient option for general electrical supplies with fast delivery.

Choosing the best manufacturer or distributor depends on your specific needs, project scale, and desired level of technical support.
