T Trias Indra Saputra (Indonesia) While based in Southeast Asia, this company serves South Asian markets with reliable cable tray systems suitable for indoor and outdoor applications. Other Regional Manufacturers Several smaller manufacturers and suppliers in India, Pakistan, and Bangladesh provide custom cable trays, accessories, and support systems for industrial, commercial, and infrastructure projects. These companies often specialize in FRP, GI, or aluminum trays and cater to both domestic and export markets.

Types of Cable Trays Offered

Ladder Type: Ideal for heavy-duty industrial applications. Perforated Type: Provides ventilation and reduces heat buildup. Wire Mesh Trays: Flexible and easy to install, suitable for data centers.

FR

P Trays: Corrosion-resistant, suitable for coastal or chemical environments. Accessories: Coupler plates, covers, GI and copper earthing strips, junction boxes, and fasteners.

Summary

South Asia hosts a variety of cable tray manufacturers and exporters, with India being a major hub. Companies like Sunil Engineering Corporation, ELCON Cable Trays, and SAICableTray India provide comprehensive solutions, including customized trays, accessories, and international shipping to neighboring countries. These manufacturers cater to diverse industries such as construction, energy, telecommunications, and industrial infrastructure.
