Mauritius Cable Tray Manufacturer Custom-made

Overview

MRC WIRE PRODUCTS LTD is a private limited liability Company incorporated in Mauritius in 1975 and is a member of Desbro Group of Companies.

Key Takeaways

Mauritius offers several manufacturers and suppliers of customized cable trays, including welded, perforated, and wire mesh solutions tailored for industrial, commercial, and infrastructure projects. Key Manufacturers and SuppliersMRC Wire Products specializes in welded cable trays that are customizable in size, configuration, and finish. Their trays are designed for superior strength, efficient cable routing, quick installation, and versatile applications across industrial and commercial environments.

Velvindron Products Co Ltd, based in Pailles, Mauritius, manufactures perforated cable trays, wire mesh cable trays, and cable tray covers, along with ducting and trunking solutions. They have been operating since 1958 and offer products suitable for both standard and customized cable management needs. Legrand Mauritius provides Cablofil wire mesh cable trays, offering flexible configurations, quick installation systems, and high-performance safety features.

Their solutions include toolless accessories for bends and direction changes, making them suitable for complex installations.

Market Trends and Considerations

The cable tray market in Mauritius is growing due to infrastructure development, industrial expansion, and renewable energy projects. Key trends include: Preference for corrosion-resistant materials like hot-dip galvanized steel and stainless steel, essential for the humid coastal climate. Increasing demand for modular and pre-fabricated systems for faster installation.

Compliance with international standards such as IEC 61537, NEMA VE 1, and BS EN 61537, alongside local electrical codes. Focus on lightweight, high-strength materials and fire-retardant coatings for safety and durability. Choosing a SupplierWhen selecting a customized cable tray manufacturer in Mauritius, consider: Material and finish: Galvanized steel, stainless steel, aluminum, or fiberglass.

Load capacity and dimensions: Light, medium, or heavy-duty trays. Customization options: Ability to provide bends, tees, reducers, and supports. Quality assurance: ISO 9001 certification, mill certificates, and test reports.

After-sales support: Local technical assistance, lead times, and replacement services.

Regional Availability

Demand is concentrated in Port Louis and industrial zones, but suppliers can serve projects across the island.

Both MR

C Wire Products and Velvindron Products Co Ltd have local presence, ensuring easier logistics and support for customized solutions. By evaluating these factors, businesses in Mauritius can select a cable tray manufacturer that meets technical, regulatory, and project-specific requirements.
