Mesh Cable Tray Suppliers

Overview

Mesh Cable Trays | PohlCon – Partner from start to future.Their mesh structure guarantees excellent cable ventilation. Furthermore, the cables can be flexi.

Key Takeaways

Leading manufacturers and suppliers of mesh cable trays include JLH Electric, Marlin Steel, VALDINOX, Trayco, and Chalfant Manufacturing, offering high-quality, customizable solutions for industrial and commercial cable management. Key Manufacturers and Suppliers1.

JL

H Electric (Shandong, China) JLH Electric specializes in a wide range of cable management products, including wire mesh cable trays, perforated trays, cable ladders, and accessories. They operate a 10,000 m² manufacturing facility equipped with advanced machinery such as CNC punching machines, welding robots, and automatic molding machines.

JL

H Electric is ISO 9001: 2015, ISO 14001, ISO 45001, and CE certified, providing reliable, high-quality products for global customers. 2. Marlin Steel (USA) Marlin Steel produces wire mesh cable trays designed for data centers, industrial manufacturing, and power distribution systems.

Their trays are made from 100% U. S.-sourced steel, available in 304 and 316 stainless steel, powder-coated, or zinc-plated finishes. Marlin Steel emphasizes durability, airflow, and structural integrity, offering both standard catalog designs and fully customizable solutions.

3.

VALDINO

X (Europe) VALDINOX specializes in wire mesh cable trays, supports, and accessories with high production capacity to meet demanding delivery schedules. Their EASYCONNECT® system reduces installation time and costs while enhancing strength and safety.

VALDINO

X focuses on customer-oriented solutions, including custom-made designs for diverse environments. 4. Trayco (Belgium) Trayco manufactures and optimizes cable trays, mesh trays, and cable ladders, providing tailored solutions and installation guidance.

Founded in 2012, Trayco emphasizes consulting and project support, ensuring that clients receive the correct materials and customized solutions for their cable management needs. 5. Chalfant Manufacturing (USA) Chalfant offers ladder and walkable cable tray systems suitable for indoor and outdoor applications.

Their products feature non-slip treaded covers, screwless connections, and multiple finishes, providing reliable, cost-effective, and easy-to-install solutions for industrial power and data cables. Considerations for Choosing a SupplierMaterial and Finish: Stainless steel (304/316) for corrosion resistance, powder coating for indoor environments. Customization: Ability to provide tailored tray sizes, grid patterns, and load capacities.

Certifications: ISO, CE, or other quality standards for compliance and reliability. Installation Support: Some suppliers offer consulting, project guidance, and systems like EASYCONNECT® to reduce installation time. Regional Availability: Consider lead times and shipping logistics based on the supplier's location.

These manufacturers provide robust, flexible, and scalable mesh cable tray solutions suitable for data centers, industrial facilities, and commercial infrastructure projects.
