Myanmar Grid Cable Tray Manufacturing Company

Overview

Cable Trays In Myanmar, Cable Trays Manufacturers Suppliers We, the renowned Electrical Cable Trays Manufacturer and Supplier in Myanmar, use premium mater.

Key Takeaways

Myanmar has several reputable cable tray manufacturers offering galvanized, perforated, stainless steel, and PVC cable trays for industrial, commercial, and residential applications.

Leading Manufacturers and Suppliers

Jeetmull Jaichandlall (P) Ltd. This company is recognized for high-quality cable trays in Myanmar, offering a variety of sizes, shapes, and colors. They focus on durable wire mesh and metal trays, with modern manufacturing facilities and strict adherence to industry standards, making them suitable for diverse industrial applications.

Brilltech Engineers Pvt. Ltd. Brilltech provides premium cable trays made from galvanized steel, stainless steel, and fiberglass.

Their trays feature perforated designs for optimal ventilation, easy installation, and enhanced cable protection. They also offer system design support and installation guidance. Galvanized Cable Tray Manufacturers Specialized in hot-dip galvanized steel trays, these manufacturers ensure corrosion resistance and long-lasting performance.

Their products are ideal for harsh environments and include perforated designs to prevent cable overheating. Cable House Established in 1983, Cable House supplies a wide range of cable trays along with related products like cable ties, crimping tools, and industrial connectors. They provide customized solutions, high durability, and international quality standards, serving both local and global markets.

MY

D (Myanmar) MYD offers cost-efficient cable trays suitable for residential, commercial, and industrial use. They provide standard dimensions ranging from 50mm to 700mm in width, with customizable colors and sheet metal thicknesses. Accessories like connectors, joints, and earth links are also available.

Key Features to Consider

Material Options: Galvanized steel, stainless steel, fiberglass, and PVC. Designs: Perforated, solid bottom, ladder, and trunking types. Durability: Resistant to corrosion, impact, and wear.

Installation: Easy and fast installation with minimal labor. Customization: Sizes, colors, and accessories can be tailored to project requirements. Applications: Industrial plants, commercial buildings, residential complexes, and harsh outdoor environments.

Conclusion

For sourcing cable trays in Myanmar, companies like Jeetmull Jaichandlall, Brilltech Engineers, Cable House, and MYD are reliable options. They provide a range of materials, designs, and support services to ensure safe, durable, and efficient cable management solutions.
