Nordic Aluminum Alloy Profile Cable Tray Manufacturer

Overview

Leading provider of smart, efficient, and professional lighting solutions for Commercial, Retail, Museums, Supermarkets and more.

Key Takeaways

Nordic Wire Tray (NWT) is the manufacturer of Nordic Aluminum Alloy Cable Trays. Nordic Wire Tray (NWT) specializes in producing high-quality cable management systems, including aluminum alloy cable trays, wire trays, and cable ladders for various industries. The company operates a modern, flexible production facility that allows for customized solutions tailored to the specific requirements of each project, ensuring that trays can be cut, bent, and adapted to unique installation conditions.

Product Range and Features

Aluminum Alloy Cable Trays: Lightweight, durable, and corrosion-resistant, suitable for both indoor and outdoor applications. Wire Trays and Ladders: Flexible systems with long support spacing, reducing installation time and cost. Custom Solutions: NWT can produce trays in non-standard sizes and shapes to meet project-specific needs.

Ease of Installation: Designed for quick assembly with minimal tools, typically requiring only an M8 bolt, bolt cutters, and a 13 mm wrench. Quality and CertificationsNWT emphasizes premium quality, continuously testing products to meet high industry standards. Their aluminum trays are engineered for high load capacity, corrosion resistance, and long-term durability, making them suitable for demanding environments.
