Pakistan acquires fiber optic cable company

Overview

Engro Connect has finalized a historic $560 million acquisition of all 10,500 telecom towers owned by Jazz, marking Pakistan's first-ever sale of an entire tower infrastructure by a telecom operator. The PeaceCable delegation was led by Sun Xiaohua, Chief Executive Officer (CEO) of PEACE, accompanied by Zhuang Wei (Lucus), Sales Director. Discussions centered on enhancing digital connectivity between Pakistan and the region through submarine and terrestrial optical fibre cable infrastructure. Pakistan has invited the global telecommunications company “Peace Cable” to make a major investment in expanding the country's fiber optic network. This invitation was extended by Federal Minister for IT and Telecom, Syed Amin Ul Haque, during a meeting with Peace Cable CEO Sun Xiaohua at the World. Transworld Associates proudly announces the successful landing of the #2Africa subsea cable in Karachi, marking a monumental leap in global connectivity. The Africa-1 Submarine Cable will be connected to PTCL's landing station at Karachi Seaview today (Saturday), the company said in a notice to the Pakistan. Summary In the first phase, 5,000km of OFC is being laid to connect different cities of the country ISLAMABAD (Web Desk) - Chinese telecom infrastructure company Sunwalk Group on Tuesday revealed that it had planned to invest $2 billion in Pakistan's telecom sector for the deployment of an optical.
