Price List for Custom-Made Cable Trays in Ireland

Overview

Thanks to innovation and improved technology, we have evolved into a one-stop shop for Cable Tray manufacturers.

Key Takeaways

Custom-made cable trays in Ireland typically range from €50 to €300 or more per tray, depending on size, material, and complexity.

Pricing Overview

The cost of custom cable trays varies significantly based on several factors: Material: Steel, stainless steel, aluminum, or PVC trays have different price points. Stainless steel and aluminum are more expensive due to durability and corrosion resistance, especially for outdoor or industrial use. Size and Length: Longer or wider trays designed to carry more cables increase the price.

Standard lengths are usually 2–3 meters, but custom lengths can add to the cost. Design Complexity: Trays with special bends, perforations, or load-bearing requirements are priced higher due to additional manufacturing effort. Accessories: Supports, joints, connectors, and clips are often sold separately and can add €10–€50 per tray depending on the configuration.

Supplier Options in Ireland

Dwyers Electrical: Offers a range of cable trays for domestic and industrial use, with competitive pricing and in-store collection options. Electrical Wholesaler Ireland: Provides durable trays suitable for various installations, emphasizing fast delivery and safety compliance.

Group

Sumi: Specializes in high-quality cable trays for indoor and outdoor installations, including custom sizes and accessories, ideal for industrial projects.

R

S and National Electrical Wholesalers: Offer standard and modular cable trays with options for customization, suitable for both commercial and residential projects.

Recommendations

Request a Quote: For custom-made trays, it is best to contact suppliers directly with your specifications (length, width, material, load capacity) to get an accurate price. Consider Bulk Orders: Ordering multiple trays or complete systems often reduces the per-unit cost. Check Delivery and Installation Costs: Some suppliers include delivery, while others may charge extra for installation or specialized fittings.

By comparing suppliers like Dwyers, Electrical Wholesaler Ireland, and GroupSumi, you can find a solution that balances quality, customization, and cost for your specific project needs.
