Price list of steel cable tray structures in the Philippines

Overview

Discover cable tray prices in the Philippines. Durable and corrosion-resistant cable trays in various sizes and materials, ideal for efficient cable management in residential, commercial, and industrial projects.

Key Takeaways

Steel cable trays in the Philippines range from approximately ₱1,310 to ₱5,307 per piece, depending on material, type, and size.

Overview of Cable Tray Pricing

Steel cable trays, commonly used for organizing and supporting electrical cables in industrial, commercial, and residential projects, are available in galvanized steel, stainless steel, and aluminum. Prices vary based on tray type, width, and length, with standard lengths typically around 2. 4 meters.

On average, retail prices range from ₱1,310. 24 to ₱5,307. 10 per piece.

Common Types and Materials

Ladder Cable Trays: Most widely used; allow maximum airflow and heat dissipation, ideal for heavy cable bundles. Wire Mesh Trays: Lightweight, flexible, and suitable for smaller cable runs. Perforated Trays: Provide ventilation while supporting medium-weight cables.

Materials: Electro-galvanized steel, stainless steel, and aluminum for metallic trays; glass-fiber reinforced plastic for non-metallic options.

Size and Specification Examples

Widths: 60mm to 300mm, accommodating various cable volumes. Standard Length: 2. 4 meters for most steel ladder trays.

Durability: Corrosion-resistant materials ensure long-lasting performance in different environments.

Additional Considerations

Installation: Requires skilled labor, especially for large or complex layouts.
Ventilation: Ladder trays allow proper airflow to prevent overheating of cables.
Accessibility: Open-style trays facilitate maintenance, modifications, and future expansions.

Project Planning: Prices may fluctuate depending on supplier, location, and bulk orders, so it is advisable to request updated quotations from local distributors. For detailed pricing per specific size and material, you can refer to updated listings on Philippine hardware and construction websites such as ToolsPH, HardwareZonePH, and TheProjectEstimate.com.
