Price of 10 Gigabit Industrial Optical Modules in the UK

Overview

The Cisco SFP-10G-ZR-I is a multirate 10GBASE-ZR, 10GBASE-ZW, and OTU2/OTU2e module for industrial operating temperature range.

Key Takeaways

10 Gigabit SFP+ optical modules in the UK typically range from £50 to £250 per module, depending on type, reach, and vendor.

Price Overview

Standard 10G SFP+ modules (short-range multimode, 10GBASE-SR) generally cost £50–£100 per unit from suppliers like FS UK and GBICS. Long-reach single-mode modules (10GBASE-LR, 10 km) are more expensive, typically £150–£250 per module, with Cisco and TP-Link options available. Industrial-grade modules designed for extended temperature ranges or harsh environments, such as Cisco SFP-10G-SR-I, may fall in the £200–£250 range due to specialized specifications.

Vendor-specific or codable modules from GBICS or Ubiquiti can vary widely, often £60–£180, depending on compatibility and coding requirements.

Factors Affecting Price

Module Type: Multimode (SR) is cheaper than single-mode (LR/ER).

Distance/

Reach: Modules supporting longer distances cost more. Industrial Specifications: Modules rated for extreme temperatures or industrial use are priced higher. Brand: Cisco modules are generally more expensive than generic or third-party codable modules.

Quantity: Bulk purchases may reduce per-unit cost. Where to BuyGBICS UK: Offers codable 10G SFP+ modules and active optical cables, with in-stock UK delivery.

FS U

K: Provides a wide range of 10G SFP+ transceivers for enterprise and data center applications. Network Warehouse: Stocks Cisco 10G SFP+ modules, including industrial and long-reach variants. Broadband Buyer: Offers Ubiquiti, TP-Link, and Cisco 10G SFP+ modules for multimode and copper connections.

Farnell U

K: Carries a broad selection of 10Gbps fibre optic transceivers from multiple manufacturers with fast delivery. For precise pricing, it is recommended to check the supplier websites or request a quote, as prices fluctuate based on stock, vendor, and module specifications.
