Price of 25mm Aluminum Alloy Cable Tray

Overview

Wide Compatibility: Suitable for various cable diameters (25mm-1000mm). Anodized Finish: Provides excellent corrosion resistance, enhancing longevity.

Key Takeaways

The price of a 25mm aluminum alloy cable tray ranges from approximately ₹75 to ₹95 per meter in India, with variations depending on supplier and specifications.

Supplier Pricing Overview

Hemant Engineering Works offers aluminum cable trays starting at ₹75 per meter, suitable for standard installations. Damodar Perforators lists prices starting at ₹90 per kilogram, which may vary based on tray length and thickness.

S

V Metal & Extrusions Private Limited provides trays starting at ₹95 per meter, including options for different thicknesses. Alibaba suppliers such as Langfang Magenan Technology Co., Ltd. offer customizable aluminum alloy cable trays compatible with 25mm cable diameters, with pricing dependent on order quantity and specifications.

Key Features Affecting Price

Material Quality: High-strength aluminum alloy ensures durability and stability during installation. Corrosion Resistance: Anodized or coated finishes enhance longevity, especially for outdoor or industrial use. Customization: Length, width, and perforation patterns can affect cost, with custom orders typically priced higher.

Supplier Location and Delivery: Prices may vary based on shipping distance, bulk order discounts, and local taxes.

Practical Considerations

Aluminum cable trays are lightweight and corrosion-resistant, making them ideal for both indoor and outdoor applications. For large projects, contacting suppliers directly can provide bulk pricing, delivery schedules, and installation accessories. Ensure the tray thickness and load capacity meet your project requirements, as 25mm trays are generally suitable for light to medium-duty cable management.

For the most accurate and up-to-date pricing, it is recommended to contact suppliers directly to confirm availability, bulk discounts, and shipping options.
