Price of Columbia Tray Cable Trays

Overview

Cable Tray Price List 2025: Current Market Rates Find the latest cable tray price list for 2025. Compare B2B and B2C pricing, materials, and supplier optio.

Key Takeaways

Columbia cable trays typically range from $100 to $400 per tray, depending on size, material, and load capacity. Columbia cable trays, especially aluminum models designed for RVs or industrial use, vary in price based on dimensions, weight capacity, and features. For example, slide-out aluminum trays for RV cargo compartments can support 300 to 800 lbs and have dimensions ranging from 25–90 inches in length, with prices generally falling between $100 and $400 depending on the model and retailer.

These trays often include features like rust-resistant coatings, integrated locks, and preassembled hardware for easier installation. For industrial or commercial cable management, aluminum or steel cable trays are priced based on length and type. Standard hot-dip galvanized ladder-type trays of 2.

4 meters (approximately 8 feet) typically cost $50–$150 per tray, while additional fittings (elbows, tees, reducers) are priced per piece, usually $10–$50 each. Prices can increase for custom sizes, heavy-duty load ratings, or specialized coatings. To get the most accurate pricing, it is recommended to check suppliers like etrailer, McMaster-Carr, or local electrical distributors, as prices can vary by region, material, and shipping options.

Additionally, some retailers offer bulk discounts for larger orders or complete cable tray systems.
