Price of Molded Cable Trays in Uzbekistan

Overview

Cable tray buy wholesale from the manufacturer, suppliersOur website offers cable trays of various types and sizes, allowing you to choose the best solutio.

Key Takeaways

Molded cable trays in Uzbekistan typically range from $15 to $50 per meter, depending on material, size, and supplier.

Overview

Molded cable trays are widely used in industrial, commercial, and residential projects in Uzbekistan to organize and protect electrical cables. They are available in materials such as fiberglass, PVC, and reinforced plastics, which influence both durability and cost ( ). These trays are valued for their corrosion resistance, lightweight structure, and ease of installation.

Price Factors

Material: Fiberglass or reinforced plastic trays are generally more expensive than standard PVC trays due to higher strength and fire resistance ( ). Size and Dimensions: Wider or deeper trays designed for high-capacity cable runs cost more per meter. Supplier and Brand: Local manufacturers like Brilltech Engineers and Bizkim offer competitive pricing, while imported trays may carry additional shipping and customs costs ( ).

Quantity and Bulk Orders: Wholesale purchases often reduce the per-meter cost, especially for large construction or industrial projects.

Market Context

Uzbekistan imports a significant portion of cable trays, and trade data indicates active demand for both fiber-optic and industrial cable trays ( ). Local suppliers provide consultation, customization, and delivery services, which can affect the final price. For example, hot-dip galvanized or molded fiberglass trays are popular for industrial applications due to their durability and resistance to harsh environments ( ).

Recommendation

For accurate pricing, it is advisable to contact local suppliers directly to request quotes based on your project specifications, including tray type, length, and material. Suppliers such as Brilltech Engineers and Bizkim offer flexible payment and delivery options and can provide guidance on the most cost-effective solution for your needs ( ).
