Price of cable tray bracket base fixing

Overview

Cable Tray Accessories, Cable Tray Hangers & Support | RSBrowse our range of High-Quality Cable Tray Accessories. Buy Cable Tray Hangers, Cable Tray Suppor.

Key Takeaways

Cable tray bracket fixings typically range from £5 to £50 per piece, depending on type, size, and material.

Price Overview

Cable tray brackets are available in various types, including stand-off brackets, G hanger support brackets, and trapeze support brackets. Prices vary based on: Size: Smaller brackets (50–75mm) are generally cheaper, while larger brackets (225–300mm) cost more due to increased material and load capacity. Material and Finish: Pre-galvanized steel, hot-dipped galvanized steel, and stainless steel (A316/A4) offer different levels of corrosion resistance and durability, affecting price.

Design and Load Capacity: Heavy-duty rigid designs for overhead support or long drop lengths are more expensive than standard wall-mounted brackets. Typical Price RangesStand-Off Brackets: £5–£15 per piece for 50–150mm sizes, depending on material and finish. G Hanger Support Brackets: £10–£25 per piece for 100–150mm sizes, suitable for overhead cable tray support.

Trapeze Support Brackets: £20–£50 per piece for pre-assembled brackets with 500mm drops, designed for heavier cable trays.

Additional Considerations

Bulk Orders: Purchasing in larger quantities often reduces the per-unit cost. Installation Costs: Labor and mounting hardware (bolts, nuts, anchors) are additional expenses. Supplier Variations: Prices may differ between suppliers such as RS Components, McMaster-Carr, Fixmart, and Direct Channel.

For accurate pricing, it is recommended to request a quote from suppliers based on the specific bracket type, size, and material required for your project.
