Price of cable tray combination support

Overview

Cable Tray Accessories, Cable Tray Hangers & Support | RSBrowse our range of High-Quality Cable Tray Accessories. Buy Cable Tray Hangers, Cable Tray Suppor.

Key Takeaways

Cable tray support packages typically range from $5 to $100 per meter or per kit, depending on material, type, and installation requirements.

Price Overview

The cost of a cable tray support package depends on several factors, including the material of the tray, the type of support, and the installation complexity. Common materials include: Steel: $5–$25 per meter; widely used for general-purpose installations due to strength and affordability. Aluminum: $6–$30 per meter; lightweight and corrosion-resistant, ideal for outdoor or humid environments.

Fiberglass (FRP): $10–$50 per meter; suitable for aggressive chemical or high-moisture environments. Stainless Steel: $20–$100 per meter; highly durable and corrosion-resistant, used in heavy-duty industrial or pharmaceutical settings.

Support Components

© 2026 FD SOLUCIONES OPTICAL SYSTEMS - All rights reserved

Cable tray support packages include hangers, brackets, wall angles, center supports, and splicer kits. These components secure the tray horizontally or vertically and ensure proper load distribution. Packages are often sold in multiples (e.g., 50-piece kits) and may include: Wall-mounted brackets for ladder or wire mesh traysCenter supports for wide traysUniversal brackets for strut attachmentFast splicers and end caps for tray continuityFactors Affecting PriceTray Type: Ladder trays are generally more economical than solid-bottom trays due to material usage and ventilation design.

Load Capacity: Heavy-duty supports cost more than medium or light-duty options. Package Quantity: Bulk kits reduce per-unit cost but require larger upfront investment. Installation Environment: Outdoor, corrosive, or high-temperature environments may require specialized materials, increasing cost.

Vendor PricingRS Components and Platt Electric Supply offer a wide range of support kits and accessories, with prices varying by tray size and material. Graybar provides vendor-specific pricing, often requiring ZIP code input for accurate quotes.

Gang

Long Fiberglass provides per-meter cost estimates for complete tray systems, including supports, which can help in budgeting large projects.

Summary

For budgeting purposes, a typical cable tray support package can cost anywhere from $5 to $100 per meter or per kit, depending on material, tray type, and installation requirements. For precise pricing, it is recommended to consult suppliers directly, considering the specific tray dimensions, load requirements, and environmental conditions.
