Yellow Pages Uzbekistan lists multiple suppliers, including ANDIJON CABLE TRADE LLC, CABLE-TRADE LLC, and GLOBAL KABEL LLC. Prices vary by model, configuration, and delivery options, and suppliers recommend requesting quotes for identical specifications to ensure fair comparison.

Key Considerations for Pricing

Material: Galvanized steel, stainless steel, and fiberglass have different costs. Galvanized trays are generally more affordable than stainless steel. Size and Thickness: Larger trays or thicker metals increase the price.

Order Volume: Bulk orders often receive discounts. Delivery and Installation: Some suppliers include delivery, while installation may be charged separately. Warranty and Service: Check warranty periods and after-sales support, as these can affect long-term value.

Recommendation

To get the most accurate pricing, contact suppliers directly with your project specifications, including tray type, dimensions, quantity, and delivery location. Comparing multiple quotes ensures competitive pricing and helps identify suppliers offering the best combination of quality, service, and cost.
