Key Takeaways

Cable tray accessories in Turkey are available from multiple suppliers, with prices starting around $12,800 for bulk galvanized trays, but exact quotes depend on material, size, coating, and quantity.

Key Suppliers and Options

Biga Bilisim: Offers cable trays, ladders, wire mesh trays, support profiles, and smart tray systems. To get a price quote, you need to provide product type, dimensions, thickness, quantity, coating preference, accessory list, and delivery city. Including drawings or photos helps the purchasing team prepare an accurate quote.

Gersan: Supplies cable trays in hot-dip galvanized, pre-galvanized, stainless steel (304-316), aluminum, and powder-coated varieties. Accessories and additional parts can be made of stainless steel for special applications. Pricing depends on tray type, coating, and load requirements.

Ardic Elektrik: One of Turkey's leading manufacturers, producing Click System cable ducts (H40, H50, H60, H80, H100) and other cable management systems. They export globally and provide detailed specifications for industrial and commercial projects. Quotes are prepared based on project requirements and accessory lists.

Trade

Key and Alibaba: Offer Turkish cable accessories and trays for wholesale purchase. For example, hot-dip galvanized cable trays are listed at an average price of $12,804 per unit, suitable for data centers and fiber optic systems. Bulk orders can start from 1 unit, and prices vary with material and size.

How to Request a QuoteSpecify the project location (city in Turkey or international delivery). List the tray type and dimensions (width, height, thickness, and length). Include coating preference (galvanized, stainless steel, aluminum, powder-coated).

Provide the accessory list (elbows, tees, reducers, brackets, covers). Attach drawings or photos if available. Indicate quantity and any special requirements (load capacity, corrosion resistance, or hygienic standards).

Providing these details ensures suppliers can give a realistic and competitive price quote and reduces back-and-forth communication.

Summary

Prices for Turkish cable tray accessories vary widely depending on material, coating, size, and quantity. Bulk galvanized trays start around $12,800, while stainless steel or specialized trays may cost more. Contacting suppliers like Biga Bilisim, Gersan, Ardic Elektrik, or TradeKey/Alibaba with a detailed bill of materials will yield the most accurate and up-to-date quotes.
