Pricing Guide for Pre-fabricated Optical Cables

Overview

Main cost drivers include cable grade (indoor vs outdoor, armoured), distance, and labor for trenching, splicing, and termination.

Key Takeaways

Prefabricated optical cable prices vary by manufacturer, type, and length, with detailed price lists available from suppliers like Prysmian, Polycab/Prabhat, and Conrad Electronic.

Supplier Price Lists

Prysmian: Offers prefabricated optical cables and related products. Their official website provides downloadable price lists for different regions, including Asia-Pacific, Middle East, and Africa. Prices are typically listed per meter or per coil, but you may need to contact local offices for the most current rates and regional variations (Prysmian).

Polycab / Prabhat Cables: Provides a consolidated price list for industrial and optical cables. The latest PDF lists rates per 100 meters or per coil, with separate pricing for armored and unarmored cables. Prices are exclusive of taxes and subject to change, so contacting their sales team ensures the most accurate and updated information (Prabhat Cables).

Conrad Electronic: Lists prefabricated optical cables with VAT included. Their online catalog allows you to view prices for various cable types and lengths, suitable for smaller-scale purchases or electronic projects (Conrad Electronic).

Typical Pricing Factors

Cable Type: Single-mode or multi-mode optical fibers, armored vs. unarmored, and indoor vs. outdoor cables affect cost. Length: Prices are often quoted per 100 meters, per 305-meter coil, or per custom length. Manufacturer: Global brands like Prysmian, Corning, Fujikura, and Sumitomo may have higher prices due to quality certifications and warranty.

Regional Variations: Shipping, import duties, and local taxes can significantly affect the final price.

Market Overview

The global prefabricated optical cable market was valued at US$ 227 million in 2024 and is projected to reach US$ 359 million by 2031, growing at a CAGR of 7. 3%. Major applications include data centers, urban communications, and network infrastructure.

Leading manufacturers include Prysmian, Furukawa, Corning, Fujikura, Sumitomo, CommScope, Sterlite, Belden, Nexans, and LS Cable & System (Global Market Report). How to Obtain a Complete Price ListDownload supplier PDFs: Prysmian and Prabhat Cables provide downloadable price lists on their websites. Contact sales representatives: For bulk orders, regional pricing, or custom specifications, contacting the supplier directly ensures accurate quotes.

Check online catalogs: Retailers like Conrad Electronic provide VAT-inclusive prices for smaller quantities. By combining these sources, you can compile a comprehensive price list tailored to your region, cable type, and project requirements.
