Qatar Standard Optical Cable Manufacturer

Overview

Top Fiber Optic Cable Manufacturing Companies in QatarUnderstanding these factors will provide valuable insights for anyone looking to engage with the fibe.

Key Takeaways

Leading fiber optic cable manufacturers and suppliers in Qatar include Electra, Microsys Networks WLL, Opticsense, Al Mazrouei ICAS WLL, and Al JASSRA Fiberplast.

Key Manufacturers and Suppliers

Electra Qatar is a prominent supplier and manufacturer of fiber optic cables and accessories, offering over two decades of experience. Their product range includes 2 Core Fibre Optic Drop Cable, Optical Fibre Non-conductive Plenum (OFNP), ADSS cables, and a variety of fiber accessories such as patch panels, splicing closures, and adapters. All products comply with international standards like TIA, ISO, and IEEE, ensuring high-quality performance for telecom and networking projects in Qatar.

Microsys Networks WL

L specializes in structured cabling and fiber optic solutions, distributing single-mode and multi-mode cables (OM2, OM3, OM4) with 2 to 96 cores. They also provide fiber accessories including pigtails, patch cords, and ONU cabinets. Microsys is known for fast delivery, competitive pricing, and approval from Doha STC, making them a reliable partner for both indoor and outdoor fiber installations.

Opticsense Qatar offers supply, installation, and testing services for fiber optic networks, including precision termination, splicing, and commissioning. They supply ANATOLIA brand fiber optic cables, approved by Qatar Energy and Kahramaa, and have completed projects across Doha, Ras Laffan, Messaid, and Dukhan. Their services cover civil works, EHV cabling, and turnkey telecom solutions.

Al Mazrouei ICAS WL

L provides a diverse range of fiber optic cables and passive network solutions. They focus on high-quality manufacturing and distribution, supporting projects across Qatar and the GCC with international supplier partnerships.

Al JASSR

A Fiberplast is a manufacturer of fiberglass products, including components relevant to fiber optic cable production. They emphasize adherence to international standards and advanced manufacturing processes suitable for industrial and telecom applications.

Additional Notable Suppliers

Other companies like Tier-3, GBI (Gulf Bridge International), and Rockford Communication Solutions provide fiber optic cabling solutions, distribution, and specialized networking products for enterprise, industrial, and telecom sectors in Qatar. These companies often combine supply with installation, maintenance, and network integration services. SummaryQatar's fiber optic industry is supported by a mix of local manufacturers, distributors, and specialized service providers.

Companies like Electra and Microsys Networks WLL focus on high-quality cables and accessories, while Opticsense and GBI provide comprehensive installation and network solutions. For projects requiring certified products and government-approved vendors, these companies offer reliable options for both commercial and industrial fiber optic deployments.
