Sales price of Yin-Yang type optical attenuator

Overview

Wholesale guide to yin yang fiber optic attenuators: direct from 1688 source factories – get quality and low prices!

Key Takeaways

Yin-Yang type optical attenuators typically range from $5 to $20 per unit, depending on specifications, connector type, and purchase quantity.

Price Overview

Naku Optics lists a 10-piece set of MU single-mode Yin-Yang fixed optical attenuators, but the exact price is not displayed online; bulk orders may reduce per-unit cost. Amazon offers 2-piece LC/UPC Yin-Yang fixed fiber attenuators, generally priced around $10–$15 per pair, depending on attenuation value and shipping.

Ali

Express and Alibaba provide factory wholesale options for FC/UPC Yin-Yang attenuators with attenuation ranges from 1–30 dB, where prices can start as low as $5 per unit for bulk orders, but final pricing depends on order quantity and shipping. 1688wholesale lists SC/UPC fixed attenuators with 5 dB attenuation and similar pricing for wholesale purchases, typically in the $5–$10 per unit range.

Factors Affecting Price

Connector Type: FC, SC, LC, MU, or E2000 connectors influence cost. Attenuation Range: Higher or adjustable attenuation values may increase price. Quantity: Bulk purchases significantly reduce per-unit cost.

Supplier and Shipping: International shipping and supplier policies can affect the final price.

How to Obtain Exact Pricing

Contact suppliers directly via their websites (Naku Optics, Alibaba, AliExpress) with your required connector type, attenuation value, and quantity. Request a formal quote to include shipping, taxes, and any bulk discounts. Confirm payment methods (e.g., telegraphic transfer, online banking, or credit) and delivery timelines before placing an order.

By considering these factors, you can determine the most cost-effective option for purchasing Yin-Yang type optical attenuators.
