South Sudan Cable Tray Unit Price

Overview

This document provides a price list for cable trays manufactured by Manibhadra including perforated and ladder type cable trays in various sizes and materials. Rates per meter are provided for cable trays ...

Key Takeaways

Cable tray prices in South Sudan vary by material, size, and type, with galvanised and stainless steel trays available from local suppliers.

Price Overview

Galvanised Cable Trays: Common sizes include 200mm x 25mm and 350mm x 25mm. Prices are competitive and suppliers like Shopit offer speedy delivery and reliable service. Stainless Steel Cable Trays: Perforated and wire mesh types are available, offering corrosion resistance and durability.

Suppliers such as WillisCreek and Superfab provide direct sales and custom quotes based on project specifications.

Factors Affecting Price

Material: Stainless steel trays are generally more expensive than galvanised steel due to higher durability and corrosion resistance. Tray Type: Ladder, perforated, and wire mesh designs differ in cost; ladder trays are often slightly higher due to structural requirements. Size and Length: Larger widths and longer lengths increase the price per meter.

Supplier and Delivery: Local suppliers in South Sudan offer varying rates and delivery options, which can affect the final quote. How to Obtain a QuoteContact suppliers directly with your project specifications, including tray type, material, dimensions, and quantity. Suppliers like Shopit, WillisCreek, and Bahra Electric provide online inquiries or phone contacts for personalized quotes.

For bulk or industrial projects, requesting a detailed price list per meter or per unit is recommended to compare options and ensure cost-effectiveness.

Additional Considerations

Installation and Accessories: Wall supports, bends, and junctions may add to the total cost. Quality Standards: Ensure trays meet local electrical safety and structural standards. Future Pricing Trends: Prices may fluctuate based on material demand, import costs, and supplier competition.

By providing your exact requirements to suppliers, you can receive a tailored price quote for cable trays suitable for commercial, industrial, or infrastructure projects in South Sudan.
