Sri Lanka Vertical Explosion-proof Distribution Box Manufacturer

Overview

CEYLEKTRA offers high-quality distribution boxes and enclosures, available in both wall-mounted and free-standing designs.

Key Takeaways

Notable Sri Lankan brands for vertical explosion-proof distribution boxes include Rotax Limited, Cubik Engineering, CEYLEKTRA (Bianco), and Divolca (Micro Electric International). Key Brands and Offerings1. Rotax Limited Rotax Limited is a long-established Sri Lankan company with over 50 years in the electrical engineering sector.

They offer high-quality enclosures, including IP 65 and above rated boxes suitable for industrial and utility applications. Their products are designed to protect electrical equipment in harsh environments, providing durability and compliance with safety standards. 2.

Cubik Engineering Co. (Pvt) Ltd Cubik manufactures and supplies tested enclosures and modular panel systems under the TIMIK and MODIK brands. Their products are IP 65 rated, corrosion-resistant, and impact-resistant, suitable for both indoor and outdoor installations. Cubik also provides a full range of switchboard accessories and low-voltage switchboard assemblies, making them a leading supplier for industrial electrical panels in Sri Lanka.

CEYLEKTR

A (Bianco) CEYLEKTRA offers metal distribution boxes and enclosures in wall-mounted and free-standing designs. Their enclosures are powder-coated for corrosion resistance, customizable in thickness, and compliant with IP and IEC standards. These boxes are ideal for industrial and commercial electrical installations, ensuring safe and reliable power distribution.

4. Divolca (Micro Electric International) Divolca produces the MCB Box 700 Sunk Type (10 Way), a recessed distribution box designed for housing miniature circuit breakers. Made from high-quality HIPS material, Divolca products are manufactured in Sri Lanka using environmentally friendly technology and are known for reliability and durability.

Considerations for Explosion-

Proof Applications

When selecting a vertical explosion-proof distribution box in Sri Lanka, consider: IP Rating: IP 65 or higher for dust and water protection. Material: Fire-resistant plastics (ABS, PC) or metal enclosures for durability. Compliance: IEC or local industrial safety standards.

Installation Type: Wall-mounted, free-standing, or recessed depending on space and aesthetics. Customization: Ability to modify hole positions, thickness, and coating for specific industrial requirements. These brands provide a combination of local manufacturing, tested quality, and compliance with industrial standards, making them suitable choices for vertical explosion-proof distribution boxes in Sri Lanka.

Article Content

Bianco | CEYLEKTRA Distribution Boxes and Enclosures

CEYLEKTRA offers high-quality distribution boxes and enclosures, available in both wall-mounted and free-standing designs. Manufactured with customizable

Hensel Electrical Distribution Solutions in Sri Lanka

Hensel is a global leader in electrical installation systems, specializing in high-quality junction boxes, distribution boards, weatherproof enclosures, and power

Explosion Proof Distribution Box & Electrical Enclosures

Durable Hexlon Explosion Proof Distribution Boxes and Electrical Enclosures, IECEx and ATEX certified for Zone 1 and Zone 2.
