Supply and Price Quote for Multi-Slot Double-Groove Cable Trays

Overview

Price Of Double Slot Cable Trays Wholesale Suppliers, Manufacturers. Buy premium Price Of Double Slot Cable Trays in bulk from verified wholesale supplie.

Key Takeaways

The supply price for multi-slot double-groove cable trays in India starts around ₹90–95 per meter, with prices varying based on material, size, and supplier.

Price Range and Suppliers

For standard cable trays, including multi-slot and double-groove configurations, Global Manufacturers And Traders offer starting prices at ₹90 per meter, while Super Cable Tray Private Limited and Link Electricals Bharath list prices starting at ₹95 per meter. Buyers can contact these suppliers directly to get bulk order discounts, delivery options, and custom sizing.

Material and Configuration Considerations

Cable trays are available in stainless steel, galvanized steel, aluminum, and fiberglass (FRP/GRP), which influence the price. Multi-slot double-groove trays provide enhanced cable organization, ventilation, and load distribution, making them suitable for industrial, commercial, and data center applications.

Market Trends Affecting Pricing

Raw material fluctuations (steel and aluminum) can impact long-term pricing stability. Prefabricated and modular systems are increasingly preferred, reducing installation labor and potentially lowering overall project costs. Sustainability and corrosion resistance (e.g., hot-dip galvanization) may slightly increase upfront costs but improve lifecycle value.

How to Procure

To obtain the most accurate and up-to-date pricing for multi-slot double-groove cable trays: Contact suppliers directly using the provided phone numbers. Specify material, length, width, and slot configuration. Request bulk order pricing and delivery timelines.

By considering these factors, you can secure a competitive supply price while ensuring the cable tray meets your project's technical requirements.
