Swiss Fireproof Cable Tray Manufacturer

Overview

Cable Tray In Switzerland, Cable Tray Manufacturers Suppliers Thanks to innovation and improved technology, we have evolved into a one-stop shop for Cable.

Key Takeaways

Meka Pro and InduPart AG are among the leading Swiss manufacturers offering high-quality fire-resistant cable trays and cable management systems.

Meka Pro

Meka Pro specializes in fire-resistant cable support systems that are rigorously tested according to the EN 1363-1 standard. Their product range includes over 1,200 fire-tested items, ensuring that critical electrical systems remain operational during a fire. Meka Pro emphasizes the use of materials that do not emit toxic gases and ensures that installations comply with international safety standards.

Their solutions are suitable for industrial, commercial, and emergency-critical environments, providing both structural integrity and fire safety.

Indu

Part AGInduPart AG has been a trusted Swiss partner in cable management since 1998. They offer a broad range of standard and custom cable trays, including metal and plastic enclosures, wire ducts, and cable protection systems.

Indu

Part provides customized production, assembly, and on-site consulting, ensuring that fire-resistant cable trays meet specific project requirements. Their technical expertise supports compliance with UL certification and other safety standards, making them a reliable choice for complex installations in industrial and commercial settings.

Flamro

Flamro provides fire protection solutions for cables and cable trays, including FLAMMOTECT-A coatings and DG-CR 0. 7 fire protection tapes. These products are designed to prevent flame propagation and maintain cable functionality during fire events.

Flamro's solutions are suitable for high-rise buildings, hospitals, airports, power stations, and industrial facilities, offering both indoor and outdoor protection against fire and environmental hazards such as UV radiation, moisture, and chemicals.

Summary

For Swiss-based fireproof cable tray solutions, Meka Pro is highly recommended for its extensive fire-tested product range and compliance with European fire standards.

Indu

Part A

G is ideal for projects requiring customized solutions and technical support, while Flamro offers specialized fire protection coatings and tapes for enhanced cable safety. Choosing between these manufacturers depends on your project's specific fire safety requirements, installation environment, and need for customization.
