# US Mesh Cable Tray Manufacturers and Suppliers

## Overview

Discover Marlin Steel''s wire mesh cable trays for data centers and other mission-critical applications, including materials used and our competitive advantages.

## Key Takeaways

Top US manufacturers and suppliers of wire mesh cable trays include Atkore (US Tray), Interflex USA, Legrand North America, Cable Ties and More, and Selco Manufacturing Corp., offering high-quality, UL/NEMA-certified products for industrial and commercial applications.

### Leading Manufacturers and Suppliers

Atkore – US Tray: Established in 2012, Atkore's US Tray produces made-to-order wire basket cable trays built to NEMA standards and UL-certified. Their Eagle Basket system features welded mesh for continuous airflow, dust protection, and Quick Latch™ self-splicing bars for easy installation. They also offer I-Beam and C-Channel trays, tray covers, and wire management accessories, all manufactured in the USA and compliant with Buy America requirements.

### Interflex US

A: Offers wire mesh, wire basket, and sheet steel cable trays designed for industrial, commercial, and specialized sectors.

## Their VIAFI

L wire mesh trays provide robust construction, excellent ventilation, and self-coupling ends for rapid installation. Interflex emphasizes durability with high-resistance finishes and corrosion protection, suitable for demanding environments. Legrand North America: A major player in electrical and digital building infrastructures, Legrand provides wire mesh trays for cable management in residential, commercial, and industrial applications.

Their products support critical power, AV networking, and structured cabling systems, with a focus on sustainable and long-lasting solutions. Cable Ties and More: Distributor of wire mesh, fiber, and bendable cable trays made from galvanized steel, carbon steel, and PVC. Their trays are suitable for offices, hospitals, warehouses, data centers, and mobile switching centers, offering weather, chemical, and flame resistance.

Selco Manufacturing Corp.: Custom manufacturer of cable trays in aluminum, fiberglass reinforced plastic (FRP), galvanized, and stainless steel. Selco provides engineering and design services and serves construction, utility, electrical, and marine industries.

## Additional Notable Suppliers

## Other U

S suppliers include Chatsworth Products, MP Husky Cable Tray & Cable Bus, Southwire Company, Power Engineering Co., Inc., and United Electrical Distributors (UED), many of which offer wire mesh or basket-style trays for industrial and commercial applications.

## Key Considerations

Materials: Steel (galvanized, carbon, stainless), aluminum, FRP, PVCCertifications: UL-listed, NEMA standards, Buy America compliantApplications: Industrial plants, data centers, hospitals, commercial buildings, marine and utility sectorsFeatures: Ventilation, corrosion resistance, easy installation, customizable sizes and configurations These manufacturers and suppliers provide a wide range of wire mesh cable trays suitable for diverse environments, ensuring compliance with safety standards and offering solutions for both standard and custom installations.
