What are some manufacturers of fiber optic cable headers in Australia

Overview

Fibre Optic Systems (FOS) is a well-established manufacturer, distributor, innovator, and cutting-edge solutions provider in the fibre optic industry.

Key Takeaways

Key manufacturers of fiber optic cable headers in Australia include CABAC, Diamond Optics, Fibre Optic Systems (FOS), Norden Communication, and Optical Solutions Australia (OSA). Leading ManufacturersCABAC is a prominent Australian company specializing in electrical and fiber optic connectivity solutions. They design and manufacture a wide range of products, including cable jointing systems, structured wiring, and fiber optic connectors, with ISO9001 accreditation and a NATA-accredited laboratory ensuring high-quality standards.

Diamond Optics is an Australian-owned manufacturer known for high-precision fiber optic connectors and integrated solutions. They utilize Active Core Alignment technology to produce IEC Grade A equivalent connectors and offer high-density optical distribution frames for carrier-grade networks. Fibre Optic Systems (FOS), headquartered in Knoxfield, Victoria, manufactures and distributes fiber optic and copper products, including enclosures, racks, ducting, cable assemblies, and MTP® cabling solutions.

S emphasizes rapid production, high-quality manufacturing, and tailored solutions for various project requirements. Norden Communication provides ELV and optical solutions, including fiber optic cables and connectivity products for telecommunications, utilities, and industrial applications. They focus on innovative, reliable solutions for both commercial and large-scale projects.

Optical Solutions Australia (OSA), part of the global Hexatronic group, offers advanced fiber optic products and network solutions, including design, staging, calibration, and maintenance services.

OS

A supports projects of all sizes with a comprehensive inventory of global brands.

Additional Providers

Other notable companies include Vocus, Fibre Networks Pty Ltd, Fiboss, FNE Communications Pty Ltd, and Lightspeed Communications & Electrical, which provide fiber optic network solutions, installation, and maintenance services across Australia.

AF

L Australia also offers a wide range of fiber optic cables, connectivity solutions, and network accessories suitable for various applications. These manufacturers and suppliers provide a combination of high-performance products, custom solutions, and integration services, making them suitable partners for telecommunications, data centers, and enterprise network projects in Australia.
