What are the outdoor optical cable factories in Suriname

Overview

Bellcom SurinameOur diverse product portfolio ranging from Fiber Cabling, Patch Cords and Accessories, to ServerCabinets and Copper Cable, allow us to help.

Key Takeaways

Key providers of outdoor optical cables in Suriname include UCC, ABC FIBER NV, and international suppliers like Dongguan Greater Wire & Cable Co., Ltd. Local CompaniesUCC is a Surinamese company active since 1995, specializing in the installation and maintenance of telecommunications infrastructure, including fiber optic networks. They provide turnkey solutions for public and private networks, civil works, and cable connections, covering both underground and above-ground installations.

UC

C has experience in connecting Paramaribo to neighboring regions and airports, and they supply high-quality cabling systems for both large and small enterprises in Suriname, adhering to international standards for reliability and safety.

ABC FIBER N

V, founded in 2014, focuses on the deployment of optical fiber connections and related telecommunication and energy equipment. The company imports, rents, and sells fiber optic components and provides installation, maintenance, and renovation services.

ABC FIBE

R collaborates with local and international partners to execute civil works and turnkey projects, emphasizing rapid, reliable, and professional service delivery.

International Suppliers

For specialized projects, such as submarine or coastal fiber optic systems, Dongguan Greater Wire & Cable Co., Ltd. has supplied customized electrical cables for Suriname's "Deep Blue One" submarine fiber optic project. Their products, including XHHN-2, MC Cable, and PV Cable, are UL-certified and designed to withstand harsh marine environments, offering corrosion resistance, water resistance, and mechanical strength. This demonstrates the availability of international suppliers capable of supporting large-scale outdoor optical cable projects in Suriname.

SummarySuriname's outdoor optical cable market is served by a combination of local expertise (UCC and ABC FIBER NV) and international suppliers for specialized applications. Local companies provide comprehensive installation, maintenance, and civil works services, while international manufacturers supply high-performance cables for challenging environments, including submarine and coastal deployments. These providers collectively support the expansion and modernization of Suriname's fiber optic infrastructure.
