Where can I find out the router s fiber optic broadband speed Mbps

Overview

Find out instantly with our free Internet speed test—no signup required, accurate results in seconds. Whether you're an Optimum customer checking your service or comparing providers, this speed test gives you real-time data on download speeds, upload speeds, latency, and more. Take a speed test to see how strong the connection is in your home (and if you don't already have GFiber, see how it compares to our speeds). Most internet providers advertise the maximum speeds available, so it's not unusual to see a difference between your actual speeds and your plan's top. The Uswitch Broadband Speed Test is a free service that tells you your current internet speed in seconds. Download — Measures how quickly data transfers from outside sources to your device.
