Where to buy intelligent pigtail connectors

Overview

Discover a wide range of automotive connectors, pigtails, and plugs at findpigtails. Trusted by dealerships and insurance. No confusion, no part hunting, just results. The CTEK Comfort Indicator Pigtail converts an existing SAE quick connector into a sealed indicator of the status of your battery, therefore eliminating the need to re-install new eyelet terminals. It also opens up for charging with a CTEK 12 Volt charger. We have thousands of connectors and wire harness repair materials such as terminals, seals, clips, wire, tools, and more, ready for same day shipping. The CTEK Comfort Indicator can. Secure M12 connections from factory automation to the machine tool industry • Connection technology meets the M12 standard (EN 61076) • Optimum sealing even when mounted without tools • The mechanical end stop protects the O-ring against destruction • Permanent vibration protection with saw tooth. Combining experience, expertise, and industry-leading solutions from three highly respected brands, Marinco delivers robust and reliable power products that reflect real user needs and ensure you can always connect.
