Wholesale Price of Optical Cable Net Sleeves

Overview

Optical Cable Sleeves Find advanced optical cable sleeve answers for quick and dependable data flow. Use modern technologies to improve connection for flaw.

Key Takeaways

Wholesale optical cable net sleeves are available from $0. 10 to $1. 50 per unit depending on type, material, and order quantity.

Overview of Wholesale Options

Optical cable net sleeves, also known as fiber optic protection sleeves or braided cable sleeving, are widely available from manufacturers and distributors offering bulk pricing. Prices vary based on material quality, sleeve type, and order volume. For example, braided cable sleeving for network cables is offered at competitive wholesale rates with fast shipping from distributors like CMS Store.

Fusion splice sleeves, commonly used for fiber optic splicing, are priced economically, with standard 60mm sleeves available at low per-unit costs.

Sourcing Platforms

Alibaba: Offers over 500 fiber optical cable protection sleeve products, with suppliers providing factory-level pricing suitable for bulk orders.

Made-in-

China: Features a wide range of fiber optic sleeves, including heat shrink tubes and cable sleeves, with options for OEM/ODM customization and competitive wholesale rates. Merhein Sourcing: Provides verified suppliers and manufacturers for cable sleeves, allowing buyers to compare prices, request quotes, and source in bulk.

Factors Affecting Wholesale Price

Material: Nylon, PET, or heat-shrinkable polymers affect durability and cost. Sleeve Type: Braided sleeving, fusion splice sleeves, and protective tubes have different price ranges. Quantity: Larger orders typically reduce the per-unit cost.

Customization: OEM/ODM options, such as color, length, or diameter, may slightly increase pricing.

Practical Tips

Request multiple quotes from verified suppliers to ensure competitive pricing. Consider bulk orders to take advantage of factory-level discounts. Verify supplier reliability and product quality through reviews or certifications.

Check for shipping costs and lead times, as these can impact total procurement cost. By sourcing from platforms like Alibaba, Made-in-China, or Merhein, buyers can access high-quality optical cable net sleeves at wholesale prices ranging roughly from $0. 10 to $1.

50 per unit, depending on specifications and order size.
