Wholesale of two-core drop optical cables from manufacturers

Overview

Discover 2 core fiber optic drop cables with G657A1/G652D fibers, ideal for FTTH indoor/outdoor use. CE certified, durable LSZH sheath, perfect for aerial & duct applications.

Key Takeaways

Two-core fiber optic drop cables are widely available from OEM manufacturers and wholesale suppliers, ideal for FTTH networks and bulk procurement.

Overview of Two-

Core Drop Optical CablesTwo-core fiber optic drop cables contain two optical fibers in a single sheath, designed for point-to-point communication in FTTH networks. They are suitable for indoor and outdoor applications, including aerial, duct, and underground installations. Common features include low signal attenuation, high-speed data transmission, LSZH or UV-resistant jackets, and aramid yarn reinforcement for durability and weather resistance.

Single-mode fibers typically have a core diameter of 8–10 microns, while multimode fibers are 50 or 62. 5 microns, with an outer glass layer of 125 microns.

Wholesale Suppliers and Manufacturers

Alibaba – Offers a wide range of 2-core fiber optic drop cables with G657A1/G652D fibers, CE certification, and LSZH sheaths suitable for both indoor and outdoor FTTH applications.

Made-in-

China – Provides OEM and custom manufacturing options, allowing bulk orders with competitive pricing. Suppliers offer customization for cable length, fiber type, and jacket material, with direct access to factory distributors. Gcabling – A Chinese manufacturer supplying indoor and outdoor optical fiber cables, including 2-core drop cables, with options for bulk orders and tailored specifications.

Fiber24 – Offers SC/UPC singlemode 2-core FTTH drop cables with bend-optimized, tightly buffered fibers, aramid reinforcement, and LSZH sheathing, suitable for duct and aerial installations. Jingze (Yancheng Jingze New Material Technology Co., Ltd.) – Manufactures robust 2-core fiber drop cables with UV-resistant jackets, low signal attenuation, and streamlined installation for FTTH projects.

Key Considerations for Wholesale Procurement

Certification and Standards: Ensure cables meet G. 657A1/A2 or G652D standards for single-mode fibers and have CE or ISO certifications for quality assurance. Customization: Many manufacturers allow custom lengths, fiber types, and jacket materials to suit specific project requirements.

Bulk Pricing: Direct factory sourcing often provides better price negotiation and access to the latest production technology. Installation Requirements: Consider whether the cable is tight-buffered or loose-tube, and check maximum pulling force and bend radius for your deployment environment.

How to Source

Contact suppliers directly via Alibaba, Made-in-China, or manufacturer websites to request wholesale quotes. Specify your fiber type, cable length, jacket material, and quantity to receive tailored pricing. Verify supplier credentials, certifications, and shipping capabilities for large-scale orders.

By sourcing directly from these manufacturers, you can secure high-quality, durable 2-core fiber optic drop cables suitable for FTTH and other optical network deployments while optimizing cost and customization options.

Wholesale 2 Core Fiber Optic Drop Cable 2k+ | Alibaba

Discover 2 core fiber optic drop cables with G657A1/G652D fibers, ideal for FTTH indoor/outdoor use. CE certified, durable LSZH sheath, perfect for aerial & duct applications.

China Drop Cable 2 Core, Drop Cable 2 Core Wholesale,

China Drop Cable 2 Core wholesale - Select 2026 high quality Drop Cable 2 Core products in best price from certified Chinese manufacturers, suppliers, wholesalers and factory on Made-in-China

China Drop Optical Cable, Drop Optical Cable Wholesale,

You gain latest optical fiber specifications, tracking top market trends, and direct wholesale access for competitive pricing. For industry-leading electrical buyers, submit an inquiry to check availability.

Wholesale 2 core fiber optic drop cable for ftth For Electronic Devices ...

Find wholesale 2 core fiber optic drop cable for ftth, Modbus cabling components, serial communication cable, and much more. Browse the offers, check the specifications, and choose a supplier with the

Custom 2 Core Fiber Drop Cable from Reliable Manufacturers

Our 2 Core Fiber Drop Cable, manufactured by Yancheng Jingze New Material Technology Co., Ltd., is engineered for fiber-to-the-home (FTTH) applications, delivering a reliable and efficient connection

Gcabling 2 Core Fiber Drop Cable Optical Indoor

Gcabling is one of the best fiber optic cable manufacturers & suppliers in China. We can provide a wide range of optical fiber cables.

Gcabling 2 Core Fiber Optic Cable Drop Cable

Gcabling is one of the leading companies manufacturing optical fibre cables in China, we manufacture and supply a wide range of optical cables.

2-core drop cable supplier: Reliable & Fast Delivery

Find trusted 2-core drop cable suppliers with fast delivery. Explore top-rated manufacturers offering high-quality fiber optic cables. Click to discover verified suppliers and get

China 2 Core FTTH Aerial Drop Cable Manufacturers and Suppliers ...

© 2026 FD SOLUCIONES OPTICAL SYSTEMS - All rights reserved

Shenzhen Optico Communication Co., Ltd. is one of the most credible manufacturers and suppliers of 2 core ftth aerial drop cable in China. Please feel free to wholesale high quality customized products at
