Zambian fiber optic sensor manufacturer direct sales

Overview

Located in Canada''s capital city of Ottawa and established in 1985, OZ Optics Limited is a leading worldwide supplier of fiber optic products for existing and next-generation optical networks.

Key Takeaways

Infitek and Opsens Solutions are key fiber optic sensor manufacturers serving Zambia, offering direct sales and industrial-grade solutions.

Key Manufacturers

Infitek is a professional manufacturer established in 2010, specializing in fiber optic sensors for laboratory, medical, and industrial applications. They provide solutions for sectors such as oil & gas, aerospace, civil engineering, and geotechnical monitoring. Infitek is ISO9001 and ISO13485 certified, ensuring high-quality standards, and offers direct sales for clients in Zambia.

Opsens Solutions, a division of Opsens Inc., develops and manufactures a wide range of fiber optic sensors, including temperature and distributed sensing systems. Their products are suitable for industrial monitoring, distributed temperature sensing (DTS), distributed acoustic sensing (DAS), and vibration sensing (DVS). Opsens provides direct sales and technical support for Zambian clients.

P Sensing offers distributed optical sensing technologies, including DTS, DAS, and DVS, which are applicable for long-distance monitoring in infrastructure, energy, and industrial projects. They supply fiber optic sensor cables and systems directly to customers in Zambia.

Local Distributors and Suppliers

For broader fiber optic products, AEDHS.com supplies major brands such as Anritsu, FLUKE, Keysight, Molex, and VIAVI, with door-to-door delivery across Lusaka, Kitwe, Ndola, and other Zambian cities. They cater to resellers and end-users, providing spare parts, repair, and maintenance services. Denso Electronics, based in Ndola, Copperbelt, offers electronic and ICT solutions, including fiber optic components, and can facilitate direct procurement for businesses and educational institutions.

How to Access Direct Sales

Contact Infitek or Opsens Solutions via their official websites or email for quotations and product specifications. For distributed sensing systems, AP Sensing can provide technical consultation and direct sales. Local distributors like AEDHS.com and Denso Electronics can supply fiber optic sensors and related equipment with delivery across Zambia.

These manufacturers and suppliers provide both industrial-grade fiber optic sensors and direct sales options, making them suitable for companies or research institutions seeking reliable, locally accessible solutions in Zambia.
